An Initiative of the Fulton County Board of Commissioners
"Creating Equity through Public Policy and Community Engagement"

Fulton County is Your County @ Your Service!

Welcome to the North Fulton Service Center in Sandy Springs, one of Fulton County's distinctive, new integrated-care facilities. The NFSC provides citizens convenient and easy access to a full array of services in a comfortable, modern environment staffed by professional, courteous employees. We are here to serve you.

This is your guide to NFSC services which now include a state-of-the-art health and dental facility. You'll find the most frequently visited offices in our Service Center—vehicle registration services and the health and dental center—on level 1 (the lower level). All other services, including Magistrate Court, Probate and Superior Court offices, the property Tax Assessor's office, the Career Center, housing assistance, Cooperative Extension and the District 4 office of Fulton County Commissioner Tom Lowe on level 2 (upper level). There is ample parking on both sides of the building.

For assistance, please see a member of the staff or call our main number, **404-612-6372**. And please let us know how we might enhance your visit to the North Fulton Service Center.

NFSC Health Center Services
404-612-2273 (CARE)
